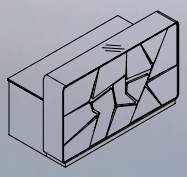
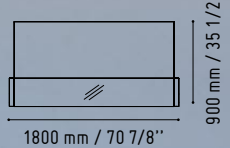
ARCTIC SUMMER

White means purity, perfection and confidence. The desktop is made from pastel white lacobel glass, so are the front and sides of the reception desk. The pattern of Arctic Summer emphasises fluorescent white light.

LAS18





67 - WHITE PASTEL

Opposites attract.

Arctic summer – ice flow warmed up with the glow – tube lighting.
The fancy design of this reception desk is intended for people with imagination,
who appreciate elegance and dislike monotony.
